## Submission

From rom **Nov. 4<sup>th</sup> till Nov. 6<sup>th</sup>, 2010**, Lab30, the 9th Augsburg Art Lab, invites artists and creatives to a media art festival in Augsburg. Lab30 is a platform for experimental art projects which contain an artistic reflexion of our modified environment via modern digital or analog technologies. New surprising views of this diversified cultur will be presented to the public by interactivity, analog and digital experiences in image and sound in an exhibition, in concert programs and workshops. As a showcase for sound experiments, Lab30 is addressed to artists from European (Media) Art colleges and universities respectively their environment as well as the local scene. Due to the family frame Lab30 has been established within the festival scene as a unique place for communication between artists and public: Lab30 develops the creative direct exchange between artists and public as well as among the artists.

The festival covers 400 sqmtrs. of exhibition space, a BlackBoxStage for sound and image experiments as well as a club.

For this submission we would ask you to supply the following:

- 1) **For the exhibition:** interactive installations and projects that play with the current (computer) technologies and digital possibilites in a visual and / or acoustic way. The works should not be older than three years. To maintain the atmosphere of working and communicating of the festival it is necessary that the artists present their pieces in Augsburg during the festival.
- 2) **For the BlackBoxStage:** audiovisual projects that deal with the special situation of the place. The audience will be sitting at a u-formed stage in the theatre, any projections (3 x approx. 4 x 4 mtrs., front, left and right side) are possible.

A jury team will decide which works to exhibit. The organisation team will take care of board and lodging as well as transport. A prize of 1,000 Euros will be awarded among all projects that take part in the exhibition.

The submission ends **July 30<sup>th</sup>, 2010**.
